

Reading Vocabulary Definition Test

Directions: Teachers are to use their understanding of each word to create and orally give students a "Definition Clue" or definition. (For information on definition clues click or go to www.tampareads.com/definitionclues) After hearing the definition clue or definition, students are to write the word in the numbered column below the 8 words. Although there are 8 words in each daily column, only 7 words will be tested. Some words are from the previous week and may be included in the test. **3 points for each correct answer.**

Sentence Writing Test

Directions: Write a sentence for each word below (Teacher selects words). Sentences should help readers understand the actual meaning of the word. Sentences must contain at least 7 words and not begin with the word "I." Sentences will be given 0 - 4 points depending on the quality of the sentence.

1. _____
2. _____
3. _____
4. _____

Timed Reading: An additional grade for the weekly test can be to "time" each student on how fast they can say all four columns of words at top (for *determining fluency*). Any incorrect word must be written 5 times each and put into a sentence. Students can be tested while they are completing this worksheet. Every 3 incorrect words lowers "timed" letter grade by one letter.

- A = 20 seconds or less
- B = 21-25 seconds
- C = 26-30 seconds
- D = 31-40 seconds
- F = Over 40 seconds
